

NTA Regional Harm Reduction Conference

Starts on 08/12/2008

Ends on 08/12/2008

Category Conference

Location The Hatton, 51 53 Hatton Garden, London EC1N 8HN

Information: Following focus from the healthcare commission there has been a re-invigoration of harm reduction interventions across all tiers of drug treatment that requires a continued multi agency approach. To support and further this work the NTA is inviting representatives from across drug treatment, public health, and primary and secondary care sector to an all day regional harm reduction conference.
