

Youth guidance

Consultation with key stakeholders in 2004-5 revealed a need for guidance for the youth service on drug education, drug incident management and drug policy development. This guidance will complement that published by the DfES for schools.

We hosted 4 regional dissemination events which were open to all those from the youth sector with responsibility for drug issues in their organisation.

This work has been funded by DfES and DH.

Stop Press: Please see our [events pages](#) for regional events on youth work and health from NYA and two seminars on drugs guidance for young people.
