

## DrugData update archive

[DrugData Update](#) is our blog showing all the most recent additions to our [DrugData](#) database. It includes URLs where available.

### Focus archive

In the past we have published articles on DrugData update covering some topical area of interest surrounding drugs. Here we present an archive of some of the most popular in PDF form. You can also view the original articles listed in the archive on the [blog itself](#).

**Problems viewing?** If you are having problems opening any PDFs, please right click the link, choose **Save Target As...** Then save to a location on your computer and then click **Open**. The PDF should now be visible.
