

Good practice home

Key publications on crime, education, health, availability, community safety and official documentation

Here we present the important publications in reference to key drug issues. Some items can be downloaded from the DrugScope website, another website, or purchased online. If you have suggestions for areas to cover please email info@drugscope.org.uk

Problems viewing? If you are having problems opening any PDFs, please right click the link, choose **Save Target As...** Then save to a location on your computer and then click **Open**. The PDF should now be visible.

 [Community](#)
Community, workplace, social exclusion, housing, homelessness and more...

 [Criminal justice](#)
Sentencing, prisons, crime figures, links between drugs and crime etc.

 [Education/prevention](#)
Information for educators, parents and special groups

 [Official documents home](#)
Policy documents such as ACMD and Home Office reports

 [Statistics/availability](#)
Statistics on prevalence, mortality, treatment and crime. Plus information on drug markets

 [Treatment](#)
